ORDER VACATING BLANKET AUTHORIZATION TO
IMPORT AND EXPORT NATURAL GAS
FROM AND TO CANADA AND MEXICO

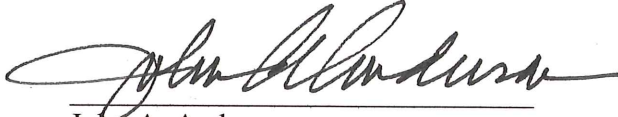

DOE/FE ORDER NO. 3250-A

On March 5, 2013, the Office of Fossil Energy (FE) of the Department of Energy (DOE) granted blanket authorization to H.Q. Energy Services (U.S.) Inc. (HQUS) in DOE/FE Order No. 3250 to import up to 200 billion cubic feet (Bcf), and to export up to 200 Bcf of natural gas from and to Canada and Mexico over a two-year term beginning on May 1, 2013, and extending through April 30, 2015.

On December 2, 2014, HQUS notified DOE that it no longer has a need to engage in imports or exports of natural gas, based on changes in its commercial needs. As a result, HQUS requests that DOE vacate Order 3250, effective immediately.

Accordingly, pursuant to section 3 of the Natural Gas Act, the authorization to import and export natural gas granted to HQES in Order 3250 is hereby vacated, effective December 11, 2014.

Issued in Washington, D.C., on December 11, 2014.

A handwritten signature in black ink, appearing to read "John A. Anderson", written over a horizontal line.
